

Sustainability Commitment

Sunshine Windows Mission Statement is “to deliver safe, quality window, Solar panel cleaning that makes people happy and achieves 100% customer satisfaction every time. We provide prompt, efficient and cost effective solutions that are tailored for every customer”.

We are committed to becoming more sustainable by taking action that positively impacts on the environment, our workplace, community, customers and suppliers.

Our priorities for 2022 are:

Environmental Action

- Reducing the amount of waste generated by using electronic systems more to reduce paper use/waste.
- No Single Use plastics
- No soaps or chemicals packaging

Community Involvement

- Volunteering time with Akira charity including glass cleaning for free
- Donating total of 1% of annual sales to Cancer Research
- Myself and my wife to join a local litter picking group attending once per month
- Donations/upcycling to local charity shops

Ethical Trading

- 6 Monthly reviews of policies and processes to ensure it is undertaken responsibly.
- Considering sustainability credentials of suppliers ensuring there are anti-slavery and anti-corruption policies in place
- Inclusion by celebrating and embracing different cultures.
- Promoting diversity, empathy.
- Recognise and promote equality
